*Professionals on this list are based within Morrison County, or within 10 miles of the border of Morrison County, for your convenience. Morrison County is in no way recommending any of the individuals listed above.
You may hire any septic professional that is licensed by the MPCA to do work in the state of Minnesota.

This list was compiled using the MPCA website <https://webapp.pca.state.mn.us/ssts/business-search>
and their SSTS reference map <https://www.pca.state.mn.us/business-with-us/septic-systems>
on November 21, 2025

It is the responsibility of the homeowner to confirm that the septic professional is currently licensed and certified.
