

Administration of the Child Care Assistance Program

2026-2027 Morrison County and Tribal Child Care Fund Plan

Administration of the Child Care Assistance Program

Background: Counties and Tribes must submit a biennial Child Care Fund Plan. Child Care Assistance Program rules and laws allow counties and Tribes to establish some local policies and procedures. These local policies and procedures, when included in this plan and approved by the commissioner, are considered county/Tribal policy and are used to support agency decisions during appeals. The Department of Children, Youth, and Families (DCYF) will review and approve County and Tribal Child Care Fund Plans. Counties and Tribes will receive approval letters for their Child Care Fund Plans from the commissioner. This plan period begins on January 1, 2026.

Minnesota Statute, section 142E.09, subdivision 3

Steps to complete the plan process:

Step One – Review the plan

Review this plan. Determine if there are changes compared to previous plans or if there are new policies or procedures. Involve other staff as needed.

Step Two – Draft the plan responses

Note these guidelines:

- Identify all optional policies; see question VIII.A.
- Do not answer questions by stating that the reviewer should refer to a previous plan.
- Submit all agency-developed documents; see question VIII.B.
- Answer each question. Incomplete plans will be returned.

Step Three – Inform and involve community partners

DCYF encourages counties and Tribes to develop optional policies in coordination with local partners.

This may include: parents, child care providers, culturally specific service organizations, Child Care Aware agencies, interagency early intervention committees, and agencies involved in the provision of care and education to young children. Consult with other agency staff such as fraud investigators and income maintenance and employment services staff.

Step Four – Share the draft plan

Prior to submission, you must make copies of the proposed plan available to the public and allow sufficient time for public review and comment. See question II.D of this plan; describe methods used to make the plan available to the public, particularly to those members listed in II.D.

Step Five – Submit the plan by the deadline (Friday, September 19, 2025)

Amendments to plans

A county or Tribe may amend their Child Care Fund Plan at any time. If approved by the commissioner, the amendment is effective on the date requested by the agency unless a different effective date is set by the commissioner. Plan amendments must be approved or denied by the commissioner within 60 days after receipt of the amendment request. The department reserves the right to direct a county or Tribe to amend its Child Care Fund Plan if the plan is no longer in compliance with Minnesota Statutes, Minnesota Rules, or federal law.

Minnesota Rules, part 3400.0150, subpart 3

Amendments include changes in contacts, optional policies, new or revised forms and notices. Amendments can be sent in letter form or by email to the agency's child care assistance policy specialist.

Return completed plans by **Friday, September 19, 2025** to:

D. Subcontracted services

Counties and Tribes may contract with an agency to administer all or part of their Child Care Assistance Program.

**Minnesota Rules, part
3400.0140, subpart 7**

If you are planning any changes in the administration of your CCAP, tell your CCAP policy specialist immediately. This could involve subcontracting or mergers of counties. Failing to notify DCYF may delay the changes that you are planning to make.

Does your county or Tribe contract with an agency for any part of the administration of CCAP? ☒ Yes ☐ No

Do not include cooperative agreements with employment and training service providers that work with MFIP/DWP families to develop and approve the employment service plan.

If your county or Tribe has a contract with another agency for administering CCAP, complete the following information:

Include a signed copy of the current contract when submitting this County and Tribal Child Care Fund Plan. If your agency renews a contract or enters into a new contract between January 1, 2026 and December 31, 2027, forward a signed copy of that contract to your CCAP policy specialist. DCYF must retain copies of all signed contracts for audit purposes.

1. Subcontracted program functions

What CCAP administrative functions are subcontracted?

Morrison County subcontracts the annual renewal for Licensed Child Care Providers and the annual renewal for Legal Non Licensed Child Care Providers with unrelated child monitoring visits with Sourcewell.

II. Collaboration and outreach

A. How do you share information about the Child Care Assistance Program so that individuals, child care providers, social service agencies, etc. are aware of child care assistance? ([Minnesota Rules, part 3400.0140, subpart 2](#))

Our agency reports yearly to the County Board on Public Assistance programs, this meeting is televised on a local channel. Morrison County has information on our website regarding the Child Care Assistance Program. We also have our Eligibility team available daily to answer questions. There are posters and applications available in our reception area.

B. Agencies are required to work with other public and private community resources that provide services to families to maximize community resources for families with young children. These include, but are not limited to, Child Care Aware, School Districts, Early Learning Scholarships, Head Start, and Early Childhood Screening. List the community programs your agency works with. ([Minnesota Statute, section 142E.09, subdivision 3 \(1\)](#))

Morrison County works with Public Health programs (WIC), Child Care Aware, School Readiness, Early Learning Scholarships, Head Start, Early Childhood Screening, and RMCEP (Career Force Center).

C. How do you work with the community resources above to maximize public and private community resources for families with young children? Include the methods used to share information, responsibility, and accountability among these community resources. For example, partnering with Community Action agencies and local Head Start to help families access early childhood services and economic resources.

Morrison County partners with TCC/Headstart, Child Care Resource and Referral, and Public Health and has on going communications with these organizations. Our communication with these organizations ranges from joint meetings to availability for a County representative to be a guest speaker for these agencies. The Work Force Center has brochures on child care assistance programs available. Morrison County requires a release of information from client to be on file to share information with public or private agencies/organizations. Once this release is signed our agency is able to share information and secure information as needed for our clients to maximize all the resources available.

D. Copies of the proposed plan must be made available to the public, including parents, child care providers, culturally specific service organizations, Child Care Aware of Minnesota agencies, interagency early intervention committees, potential collaborative partners and agencies involved in the provision of care and education to young children. You must allow time for public review and comment prior to submitting this plan to DCYF for approval. ([Minnesota Statute, section 142E.09, subdivision 3 \(2\)](#)).

1. Describe how you make copies of the **draft plan** available to the public, including how you plan to notify the public about the existence of this draft and ways the public can provide comment.

Morrison County places all plan updates on our County website inviting the public to review and to make comments. Any comments and suggestions received will be reviewed by the Income Maintenance Supervisor and the Health and Human Services Director. We have an Eligibility Worker available daily to answer questions from our partners in other agencies, providers, clients and the public.

2. When was your draft plan available for public review?

E. After your plan is approved by DCYF, do you post your approved plan on your website? ☒ Yes ☐ No

III. Eligibility

A. Education plans outside an Employment Plan

Prior to completing this section, review [Minnesota Rules, part 3400.0040](#) and [Minnesota Statutes 142E.12 Subdivision 3](#) to ensure your policies are in compliance. Identify agency developed documents used for education plan requests and notices used to communicate approval or denial in each response and list these in the agency developed document section VIII.B.

1. High school diploma/GED high school equivalency diploma

1a. Do you approve all high school and GED programs? ☒ Yes ☐ No

2. Remedial and basic skills courses (includes Adult Basic Education and English as a Second Language)

2a. Do you approve all remedial and basic skills courses? ☒ Yes ☐ No

3. Post-secondary programs

3a. Do you approve all post-secondary programs (including associate degrees, bachelor degrees, certificate programs and technical degrees)?

☒ Yes ☐ No

3b. Explain why you would deny a program. Include data and facts to support why students should not receive CCAP while attending.

If the chosen career does not meet the criteria below MCHHS and RMCEP (Career Force Center) would work with the client to find a career that would lead the client to a path of income that would provide a wage that is equal to or greater than 200% FPG.

If the client chooses to continue with the career path that will not be equal to or greater than 200% FPG, the client would not receive CCAP. As this chosen career path would statistically not provide the income the client would need to support their family. The client must be able to show they are willing to participate in activities that would improve their family's economic stability. The criteria listed below also helps ensure the BSF and TY funds are used to support a student to get a degree in a field that is likely to hire them and allow stability for their family.

3c. Describe your criteria and procedures for approving a post-secondary program outside an Employment Plan.

We would utilize <https://careerwise.minnstate.edu> and require documentation of program outline from the school the school the client is attending.

1. <https://careerwise.minnstate.edu> must indicate that chosen career has an AVERAGE increase in job growth expected or higher.
2. The client must have a high school diploma or GED. If the client is currently employed, the chosen career must provide a median wage of at least 20% higher than the current wage. Median wage will be determined by statistics in <https://careerwise.minnstate.edu>, and will use data for the state of Minnesota.
3. The maximum length of time a student is eligible for child care assistance under the child care program for education and training is no more than the time necessary to complete the credit requirements for an associates or baccalaureate degree as determined by the education institution. Time limitations do not apply to basic or remedial educational programs needed for postsecondary education or employment.
4. Their education plan must include the entire program and outline each class needed to graduate.
5. The chosen career must provide a wage that is equal or greater to 200% Federal Poverty Guidelines for a household of two. FPG will be determined by DHS. The wage will be determined by MN median income for the chosen field on <https://careerwise.minnstate.edu>.
6. Client must maintain at least "good academic standing as determined by the educational institution." If they fall below these standards, they will have one school period (semester, quarter, etc...) of eligibility to get back to satisfactory grades.

4. How do you confirm satisfactory progress as determined by the institution at redetermination?

- ☒ Institution confirms the student is making satisfactory progress.
- ☐ Student remains enrolled in program.

B. Basic Sliding Fee Waiting List management

1. Priorities for service

Have you established sub-priorities for the third priority Basic Sliding Fee Waiting List?

- ☐ Yes
- ☒ No

2. How does your agency do a preliminary determination before adding families to the waiting list?

- ☐ Verbally collect family size, income, and type of eligible activity
- ☐ Family size, income and type of eligible activity collected from the application
- ☒ Agency form used to collect family size, income and type of eligible activity (list in section VIII.B)
- ☐ Other

3. When adding a family to your Basic Sliding Fee Waiting List, you must inform the family of the priority group determination, and the number of families on the waiting list or an estimated time that they will spend on the waiting list before reaching the top. (CCAP Policy Manual, Chapter 4.3.12.12)

How do you notify a family they were placed on the waiting list?

- ☒ The family is sent [DHS-7883A \(You have been placed on the Child Care Assistance Program \(CCAP\) waiting list\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4. Six month review of Basic Sliding Fee Waiting List

Minnesota Statute, section
142E.04, subdivision 2

4a. You must review and update your waiting list at least every six months. How are families notified of this six month review?

- ☒ The family is sent [DHS-7883B \(Child Care Assistance Program \(CCAP\) waiting list update\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

4b. Describe your agency's process for reviewing and updating the waiting list. If your agency does not currently have a waiting list, describe your process in the event your agency does start a waiting list.

If our agency had a waiting list the client applying would be sent a dhs-7883A informing them they have been placed on the waiting list. Every six months we would review the waiting list and the clients on the list would be sent the dhs-7883b informing them the waiting list is being updated and they need to return the form if they wish to remain on the waiting list. If we do not receive the form back the client is sent the dhs-7883D informing them they have been removed from the waiting list.

4c. How are families notified they are removed from the waiting list for not responding to the six month review?

- ☐ Families are sent an additional notice
- ☒ Six month review letter includes notification they will be removed from the waiting list if they don't respond

5. Applications mailed to families on the Basic Sliding Fee Waiting List

Applications must be sent to families on the waiting list when there is funding available for Basic Sliding Fee.

5a. When do you remove the family from the waiting list?

- ☐ When the application is sent to the family. The notice sent with the application informs the family that their name has been removed from the waiting list.
- ☒ When you receive the completed application. If no application is received, the family is removed at the end of the time period allowed for returning the application. The notice sent with the application informs the family that their name will be removed from the waiting list if the application is not received by the deadline.

5b. How do you notify a family that their name was removed from the waiting list?

- ☒ The family is sent [DHS-7883C \(Child Care Assistance Program \(CCAP\) funds available\)](#)
- ☐ The family is sent a notice developed by our agency (list this notice in section VIII.B Agency developed documents)

6. Temporarily ineligible families on the Basic Sliding Fee Waiting List

When a family reaches the top of the waiting list and is temporarily ineligible, leave the family at the top of the waiting list for 90 days, according to priority group and serve the applicant who is next on the waiting list.

Minnesota Rules, part
3400.0040, subpart 17

Do you have an alternate procedure that extends the timeframe beyond 90 days?

- ☐ Yes
- ☒ No

C. Child care for school release days

1. How do case workers authorize care for school release days in your agency?

CCAP Policy Manual,
Chapter 9.1.3

- ☒ Authorize actual hours needed and increase or decrease hours based on known school release days.
- ☐ Authorize the hours care is needed when there are no school release days.
- ☐ Authorize the highest number of hours care is needed with the provider.
- ☐ Other method.

2. How do you communicate authorized hours for school release days to parents, providers and billing workers?

Notices are sent to the provider and clients. Worker comments are added to the notices for the parents and providers.

D. Child care for families with flexible schedules

1. How do case workers authorize care for families with flexible schedules in your agency?

CCAP Policy Manual,
Chapter 9.1.6

- ☒ Authorize the typical number of hours needed and when the schedule requires additional care, the provider bills for the additional care.
- ☐ Authorize the minimum number of hours care is needed and when the schedule requires additional care, the provider bills for the additional care. Payment is made by increasing the number of hours listed in the "total hours of care authorized" field on the billing window or by creating a new Service Authorization.
- ☐ Authorize the highest number of hours care is needed with the provider. The provider is expected to bill only for the time that care is needed.
- ☐ Other method.

2. How do you communicate scheduled and authorized hours to parents, providers and billing workers?

Notices are sent to the provider and clients. Worker comments are added to the notices for the parents and providers.

E. Authorizing care for clients with Employment Plans

Job counselors and CCAP workers must communicate child care needs for clients with Employment Plans.

Guidance is found in [CCAP Policy Manual, Chapter 9.1.5](#).

1. CCAP workers must obtain an activity schedule prior to authorizing care. Who is responsible for obtaining the schedule information from the client?

- ☒ Job counselor provides schedule or days and times that child care is needed to CCAP worker.
- ☐ CCAP worker obtains schedule from client.
- ☐ Other method.

How do CCAP workers receive schedule information for Employment Plan activities?

Job counselors will provide the Eligibility Worker with an updated Employment Plan outlining the activities and the hours needed for the specific activities. The Eligibility Worker may contact the Job Counselor asking for an updated plan, if needed.

2. How do you communicate required information between job counselors and CCAP workers (email, fax, case notes, verbal, DHS-7054, etc.)?

The contact may be done by email, fax or phone. Updated plans must be received in writing by email or fax.

F. Extending redetermination dates beyond 12 months

Redeterminations may be extended beyond 12 months for a family that has a caregiver under the age of twenty-one, who does not have a high school or general equivalency diploma (GED), and is a student in a school district or another similar program that provides or arranges child care, parenting, social services, career and employment supports and academic support to achieve high school graduation.

An agency may identify other reasons to extend redetermination dates beyond 12 months. For example, an agency may extend redetermination dates to balance out a workload. See [CCAP Policy Manual, Chapter 10.3](#) and [Minnesota Rules, part 3400.0180, subpart 1](#).

1. Does your agency extend redetermination dates beyond 12 months?

☐ Yes ☒ No

IV. Policies applicable to legal nonlicensed providers

A. Annual monitoring and training

Any legal nonlicensed provider with an open Service Authorization for a child who is not related to them must complete Supervising for Safety training within 90 days of the authorization start date and have an annual monitoring visit. See [CCAP Policy Manual Chapter 11.9](#) and Minnesota Rules, part [3400.0020, subpart 37a](#) and [3400.0120, subparts 6 and 9](#).

1. How does your agency track legal nonlicensed providers who have an open Service Authorization for unrelated children?

- ☒ All legal nonlicensed providers are tracked on a spreadsheet. Spreadsheet includes date that unrelated child Service Authorization began, due date for Supervising for Safety training, and due date of annual monitoring visit. Spreadsheet is checked every month to determine if training or an annual monitoring visit is due.
- ☐ Other

Morrison County contracts with Sourcewell to complete the annual renewals.

2. What are your agency's internal processes and procedures for completing annual monitoring visits?

- ☒ Agency contacts the provider at least 30 days prior to the date the annual monitoring visit is due. Agency schedules a time to visit. Agency visits the provider and reviews the [Legal Nonlicensed Provider Monitoring Checklist \(DHS-7867\)](#) with the provider. Agency submits the [Monitoring Visit Summary \(DHS-7867A\)](#) to DCYF within 10 days of the visit and notify DCYF if the provider fails any items.
- ☐ Other

Morrison County contracts with Sourcewell to complete the annual visits.

Note: See [CCAP Policy Manual 11.9.18](#) for the process that agencies must follow when a provider does not demonstrate full compliance with the health and safety policies at the monitoring visit.

B. Complaints and incidents

1. Records of substantiated parental complaints

Within 24 hours of receiving a complaint concerning the health or safety of children under the care of a legal nonlicensed (LNL) provider, an agency must relay the complaint to the agency's child protection agency, county public health agency, local law enforcement, and/or other agencies with jurisdiction to investigate complaints.

Information regarding substantiated complaints must be released following applicable data privacy laws. See [Minnesota Statutes Chapter 13](#). When a report is substantiated, see [Minnesota Rules, part 3400.0140, subpart 6](#), for record retention and provider payment policies.

When complaints are substantiated how do you:

1a. Maintain these records?

Social Services will interview the person making the complaint, the provider and possibly the child. Social Services may go to the legal non licensed home to observe or do a drop in visit. Complaints about legal non licensed child care providers are maintained in SSIS on our intake log. This log is kept for a minimum of ten years (Minnesota Statutes, section 626.556). If there is an investigation that substantiates a complaint, this is made available to the public via our child care licenser. Within 24 hours of receiving a complaint concerning the health and safety of a child/children under the care of a legal non-licensed provider, a county will relay the complaint to child protection if the complaint alleges child maltreatment, public health agency if the complaint alleges a danger to public health, local law enforcement if the complaint alleges criminal activity, and other agencies with jurisdiction to investigate complaints relating to the health and safety of the child/children. Note: Information regarding substantiated complaints will be released to the public "following applicable data privacy laws".

1b. Make this information available to the public when requested?

Information regarding substantiated complaints will be released to the public "following applicable data privacy laws". Our agency would contact the County Attorney's Office in Morrison County to follow the applicable data privacy laws as seen fit by the County Attorney's Office.

2. Aggregate reporting of incidents

At least quarterly, agencies must report to the Minnesota Department of Children, Youth, and Families the aggregate number of deaths, serious injuries, and substantiated maltreatment incidents for children under the care of legal nonlicensed (LNL) providers. See [Minnesota Rules, part 3400.0140, subpart 14](#).

2a. How will you record and maintain accurate counts of incidents that occur in legal nonlicensed settings registered by your agency?

The Child Protection Supervisor maintains records of these incidents and reports to the State.

V. Higher rates for providers serving certain populations

Higher rates, above the standard maximum rates, can be paid to providers if approved by the commissioner (up to the provider's charge).

Minnesota Statute,
section 142E.17,
subdivision 3

Minnesota Rules,
part 3400.0130,
subpart 3 and 3b

CCAP Policy
Manual,
Chapter 9.54

A. Higher rates for providers caring for children in at-risk populations

You may pay higher rates for providers caring for certain populations defined as at-risk in this plan. At-risk means environmental or familial factors exist that may create barriers to a child's optimal achievement such as a federal or state disaster, limited English proficiency in a family, history of abuse or neglect, a determination that the children are at risk of abuse or neglect, family violence, homelessness, age of the mother, level of maternal education, mental illness, development disability, parental chemical dependency or history of other substance use.

1. Do you pay a higher rate for providers caring for children in at-risk populations? ☐ Yes ☒ No

If this information changes, you must notify DCYF and request an amendment to your plan.

VI. Payment policies

A. Payment to two providers when a child is sick

When a child is sick and being cared for by a second provider, do you pay both the regular provider that charges an absent day and the second provider that is caring for the child?

Minnesota Statutes,
section 3400.0110,
subpart 8

☐ Yes ☒ No

Note: If the rate paid for care of sick children exceeds maximum rates, the "rates for care of sick children" must be included in section VIII.A. Additional Agency Optional Policies.

B. Submission of invoices

MEC² PRO is standardized across the State for all providers. If a provider receives an authorization and a billing form for an eligible family, the provider must submit the billing form to the agency within 60 days of the last date of service on the billing form. If the provider shows good cause for the delay you may pay bills submitted after 60 days.

Minnesota Statute, section
142E.17, subdivision 9

Note: Good cause includes agency error; bills submitted late due to agency error can be submitted for one full year from the last date of service on the billing form.

1. What criteria, other than agency error, is included in your definition of good cause for submitting and paying a billing form after 60 days? Check all that apply.

- ☒ Change in provider staffing that results in submitting the bill late.
- ☒ Circumstances outside of provider's control (natural disaster, state of emergency, damage to care setting, mail delay).
- ☒ Other

Describe other criteria included in your definition of good cause.

Illness or temporary absence. Temporary absence could include a parent or a provider who had unexpected reasons for not being at home; such as a death or illness in the family, hospitalization, or an inability to return home from traveling, etc... In these circumstances members of the Morrison County management team will determine if the situation was unavoidable and allow Good Cause for a delay in billing.

2. For each criteria under question 1, how many days late would you allow a provider to submit bills for payment (must be between 60 days and 1 year from the last date of service on the billing form)?

This would vary depending on the situation and would be reviewed by members of the Morrison County management team to determine the amount of time that would be approved.

3. Do you require the parent signature on paper billing forms? ☐ Yes ☒ No

C. Underpayments

1. If you have underpaid according to Child Care Assistance Program policies, do you make corrective payments?

☒ Yes ☐ No

2. Under what circumstances do you make corrective payments? Check all that apply.

- ☒ Agency Errors: Corrective payments are made for one year after the last date of service on the billing form.
- ☒ Provider Corrections: Corrective payments are made for 90 days after the original bill was paid.
- ☒ Family Changes: Corrective payments are made retroactively to the date of the change, not to exceed 90 days from the date the change became known to the agency.
- ☒ Other

Describe other conditions when you make corrective payments.

For families at application it will continue to be allowed back to the application date, but not more than six months from the date a provider is issued a Service Authorization and billing form.

D. Absent day policy

The Child Care Assistance Program limits the number of paid absent days. Payment may exceed absent day limit if at least one parent in the family:

Minnesota Statute,
section 142E.17,
subdivision 10

- Is under the age of 21; and
- Does not have a high school or general equivalency diploma; and
- Is a student in a school district or another similar program that provides or arranges for child care, parenting support, social services, career and employment supports, and academic support to achieve high school graduation.

1. Do you allow payment to exceed the absent day limit for children authorized with providers that meet these requirements?

☐ Yes ☒ No

VII. Program integrity

A. Agency case management reviews can be used to determine causes of errors and identify specific policies needing review.

1. Do you conduct case management reviews of CCAP? ☒ Yes ☐ No

If yes, describe the process, including:

- How cases are selected,
- Which staff complete the reviews,
- What forms are used (DHS-5312D is available. If a different form is used, please list form(s) in Section X.B. Agency developed documents and submit with plan),
- How errors are resolved, and
- How staff are informed of correct policy.

The Income Maintenance Supervisor does conduct Child Care Programs reviews at random during the Eligibility Workers yearly evaluation. DHS 5312D is used to complete the review. If a negative action is found, the case is corrected and shared at a Unit Staff Meeting as a training tool.
