

## Temporary Hand Washing Station

### **\*\*REQUIRED AT EACH FOOD BOOTH\*\***

The temporary hand washing station shall consist of at least a 5-gallon insulated container with spigot that provides a continuous flow of warm water ( 70°F -110°F ) running water, soap, paper towels and a 5-gallon bucket to collect the dirty water.

## Portable Handwashing Stations

Temporary portable facilities should include, at minimum, water provided under pressure, a retention tank for liquid waste, a fingernail brush, and an adequate supply of soap and paper towels for the event. The stations are rented from portable toilet companies.

Convenient portable handwashing stations are available for rent from the following portable toilet companies in the Morrison and Todd County areas:
