New Equipment in Use for 2022 Elections

Date: June 9, 2022

Description: Morrison County residents will have a new piece of equipment in their polling place for the 2022 elections.

This new piece of equipment is the Democracy Live/Omni Ballot Tablet which is federally required Help America Vote Act (HAVA) compliant ballot marking device. This will give voters with disabilities the ability to mark their ballots independently and privately. The Omni Ballot is fully accessible, providing magnification for voters with visual impairments and compatible with other assistive technology, headphones and tactile buttons.

If voters are interested in viewing the assistive voting device prior to Election Day, a demonstration ballot marking machine will be on display Monday, June 27th from 2:00 pm – 4:00 pm at the Morrison County Government Center located in the Morrison County Board Room at 213 1st Ave SE Little Falls, MN 56345.

Contact the Morrison County Auditor-Treasurers office with questions at (320) 632-0151 or email elections@co.morrison.mn.us
