To Whom It May Concern,

Please accept this letter as formal notification that Morrison County Health and Human Services will be discontinuing its fingerprinting services in partnership with IdentoGo, effective January 31, 2026.

This decision comes after thoughtful consideration as we realign our focus and resources toward our core services. We have appreciated the opportunity to serve our community through this offering and sincerely apologize for any inconvenience this change may cause.

To assist with a smooth transition, we recommend the following alternative providers for fingerprinting services after January 31, 2026:

Imran Services LLC  
3333 W Division Street  
St. Cloud, MN 56301

Aitkin DVS  
20 3<sup>rd</sup> Street NE  
Aitkin, MN 56431

Northstar Medical Services, Inc.  
416 Nokomis Street  
Alexandria, MN 56308

Additionally, there are fingerprinting services once a month at the Baymont Hotel in Baxter, MN.

If you require fingerprinting services from our office, please ensure they are scheduled and completed prior to the effective discontinuation date. To schedule an appointment, please visit [www.IdentoGO.com](http://www.IdentoGO.com)

We remain committed to supporting you during this transition. Should you have any questions or need further assistance, please don't hesitate to contact us.
