

## Morrison County Public Health

Karen Athman, C&TC Coordinator

320-632-0356

### Child & Teen Checkups Dental and Medical Provider List

- If you or an immediate family member are a patient on record at a dentist not on this list, it does not necessarily mean that you cannot go to that dentist. Call them first and ask if they are a Medical Assistance provider for patients on record, because many do accept MA, they are just not accepting new patients.
- If you or an immediate family member are not a patient on record anywhere in the area, or your regular dentist is not an MA provider, please refer to the list below. The following are dentists that may be accepting new patients.
- If you have questions or need additional help finding dental care, please contact our Regional Dental Coordinator at 320-632-0385.
