If a DVD copy is required, you may contact the licensor to request one.

- 1. True or False: Federal law mandates that states support normalcy for all children in foster care.**
- 2. Provide at least one reason why supporting age and developmentally appropriate activities is important.**
- 3. Name two or more factors that may impact the way(s) in which the *reasonable and prudent parent standard* is applied to children in care. Explain.**
- 4. True or False: Because taking foster children on family trips is part of a normal family experience, the provider does NOT need to notify the case manager, even if the trip is out of state.**
- 5: Does the parent/guardian of the child in foster care need to be a part of case planning with the case manager and foster parent? Explain.**

(two-sided document)

6. Provide an example of one activity that you think you should consult with the case manager on before giving approval for a foster child to participate in.

7. Name three steps foster parents could take to ensure that another setting is appropriate for a foster child to stay overnight at.

8. Is it required that you have Benton County Human complete a background check on another family if a child/youth is to spend one overnight at that home (yes or no)?

9. True or False (and explain): Foster children may be allowed to attend community functions without adult supervision.

10. True or False (and explain): If there are two license holders for your child foster home, only one must complete the Normalcy & the Reasonable and Prudent Parent Standard.
