Abusive Head Trauma (AHT) – Training Post-Test

Family/program name: _____

Instructions:

View the approved videos (found here: <http://www.anokacounty.us/DocumentCenter/View/6749>), then complete the following post-test. Programs with multiple license holders may complete this together on one form – just make sure both license holders view the videos, sign and date the form. By signing the form you are acknowledging this to be true. Return the completed form(s) to the licensor to verify completion – additional certification is not required.

1. A normal, healthy baby may cry up to ___ hours or more per day.
